<b>Den of Thieves 2 (M)</b>	Gerard Butler (Plane, Has Fallen series) and O'Shea Jackson Jr. (Straight Out of Compton, Godzilla: King of the Monsters) return in the sequel to 2018's action-heist hit Den of Thieves. In DEN OF THIEVES: PANTERA, Big Nick (Butler) is back on the hunt in Europe and closing in on Donnie (Jackson), who is embroiled in the treacherous and unpredictable world of diamond thieves and the infamous Panther mafia, as they plot a massive heist of the world's largest diamond exchange.
<b>Dragonkeeper (PG)</b>	The dragons of ancient China are on the brink of extinction; their only hope is a brave young girl on a perilous journey to save the last dragon egg.
<b>Better Man (MA15+)</b>	Better Man is based on the true story of the meteoric rise, dramatic fall, and remarkable resurgence of British pop superstar Robbie Williams, one of the greatest entertainers of all time. Under the visionary direction of Michael Gracey (The Greatest Showman), the film is uniquely told from Robbie's perspective, capturing his signature wit and indomitable spirit. It follows Robbie's journey from childhood, to being the youngest member of chart-topping boyband Take That, through to his unparalleled achievements as a record-breaking solo artist -- all the while confronting the challenges that stratospheric fame and success can bring.
<b>We Live in Time (M)</b>	Almut (Florence Pugh) and Tobias (Andrew Garfield) are brought together in a surprise encounter that changes their lives. Through snapshots of their life together -- falling for each other, building a home, becoming a family -- a difficult truth is revealed that rocks its foundation. As they embark on a path challenged by the limits of time, they learn to cherish each moment of the unconventional route their love story has taken, in filmmaker John Crowley's decade-spanning, deeply moving romance
<b>Wolf Man (MA15+)</b>	From Blumhouse and visionary writer-director Leigh Whannell, the creators of the chilling modern monster tale The Invisible Man, comes a terrifying new lupine nightmare: Wolf Man. Golden Globe nominee Christopher Abbott (Poor Things, It Comes at Night) stars as Blake, a San Francisco husband and father, who inherits his remote childhood home in rural Oregon after his own father vanishes and is presumed dead. With his marriage to his high-powered wife, Charlotte (Emmy winner Julia Garner; Ozark, Inventing Anna), fraying, Blake persuades Charlotte to take a break from the city and visit the property with their young daughter, Ginger (Matilda Firth; Hullraisers, Coma). But as the family approaches the farmhouse in the dead of night, they're attacked by an unseen animal and, in a desperate escape, barricade themselves inside the home as the creature prowls the perimeter. As the night stretches on, however, Blake begins to behave strangely, transforming into something unrecognizable, and Charlotte will be forced to decide whether the terror within their house is more lethal than the danger without.
<b>Flight Risk (M)</b>	In this high-stakes suspense thriller, Academy Award® nominee Mark Wahlberg (Actor in a Supporting Role, 2006 -- The Departed) plays a pilot transporting an Air Marshal (Michelle Dockery) accompanying a fugitive (Topher Grace) to trial. As they cross the Alaskan wilderness, tensions soar and trust is tested, as not everyone on board is who they seem.
