Sweetland (M)	The story of an endangered Newfoundland community and the struggles of one man determined to resist its extinction.
The Correspondent (M)	December, 2013: Celebrated war correspondent Peter Greste accepts a last-minute posting in Cairo during the Arab Spring. Days into his assignment he is arrested and accused of terrorism and becomes a pawn in a deadly game of politics and ancient rivalries. Thunderbolts* (PG)	In "Thunderbolts*," Marvel Studios assembles an unconventional team of antiheroes -- Yelena Belova, Bucky Barnes, Red Guardian, Ghost, Taskmaster and John Walker. After finding themselves ensnared in a death trap set by Valentina Allegra de Fontaine, these disillusioned castoffs must embark on a dangerous mission that will force them to confront the darkest corners of their pasts. Will this dysfunctional group tear themselves apart, or find redemption and unite as something much more before it's too late?Content expanded.
Until Dawn (MA15+)	One year after her sister Melanie mysteriously disappeared, Clover and her friends head into the remote valley where she vanished in search of answers. Exploring an abandoned visitor center, they find themselves stalked by a masked killer and horrifically murdered one by one... only to wake up and find themselves back at the beginning of the same evening. Trapped in the valley, they're forced to relive the night again and again -- only each time the killer threat is different, each more terrifying than the last. Hope dwindling, the group soon realizes they have a limited number of deaths left, and the only way to escape is to survive until dawn.
