Fantastic Four : First Steps (PG)	Set against the vibrant backdrop of a 1960s-inspired, retro-futuristic world, Marvel Studios' "The Fantastic Four: First Steps" introduces Marvel's First Family--Reed Richards/Mister Fantastic (Pedro Pascal), Sue Storm/Invisible Woman (Vanessa Kirby), Johnny Storm/Human Torch (Joseph Quinn) and Ben Grimm/The Thing (Ebon Moss-Bachrach) as they face their most daunting challenge yet. Forced to balance their roles as heroes with the strength of their family bond, they must defend Earth from a ravenous space god called Galactus (Ralph Ineson) and his enigmatic Herald, Silver Surfer (Julia Garner). And if Galactus' plan to devour the entire planet and everyone on it weren't bad enough, it suddenly gets very personal.
Freakier Friday (PG)	Tess and Anna discover that lightning may indeed strike twice as they navigate the myriad challenges that come when two families merge.
I Know What You Did Last Summer (MA15+)	When five friends inadvertently cause a deadly car accident, they cover up their involvement and make a pact to keep it a secret rather than face the consequences. A year later, their past comes back to haunt them and they're forced to confront a horrifying truth: someone knows what they did last summer... and is hell-bent on revenge. As one by one the friends are stalked by a killer, they discover this has happened before, and they turn to two survivors of the legendary Southport Massacre of 1997 for help.
Four Letters of Love (M)	Nicholas (Fionn O'Shea) and Isabel (Ann Skelly) are made for each other, but fate does not always choose the easiest path to true love. As destiny pulls them together, so do family, passion, and faith drive them apart. Nicholas' father, William (Pierce Brosnan), comes home one day to shatter his family's quiet, modest life. He tells them that in a moment of divine intervention, God has instructed him to dedicate his life to painting. He quits his job and sets off for the coast, leaving his shell-shocked wife and son to fend for themselves. Meanwhile Isabel and her family live a charmed existence on a nearby small neighboring island, their house full of music and poetry. When tragedy strikes and her brother suffers a terrible accident, the music stops, and Isabel's parents (Helena Bonham Carter, Gabriel Byrne) decide in their grief to send Isabel to a convent school on the mainland. The young lovers embark on their own individual journeys of heartache and misplaced love, before fate contrives to pull the threads of their lives together. When they meet, it will be like a miracle.
Bride Hard (M)	Sam (Rebel Wilson) is a world-class secret agent... and a pretty terrible maid of honor. After blowing off bridal duties for an international spy mission, she's demoted to bridesmaid at her childhood best friend's wedding. What should've been a weekend of reconnecting and celebration turns into a five-star death trap when armed mercenaries crash the big day. Sam's the only one who can save the bride, and hopefully earn back the trust she lost along the way. Dodging bullets and trying not to ruin the floral arrangements, Sam takes on the ultimate wedding crasher, realizing that sometimes the toughest mission isn't taking down the bad guys, but showing up for the people who matter.
When the Dust Settles (EX)	When the Dust Settles is an intimate, visually powerful documentary that follows 3 Australians, each forever changed by the ripple effects of suicide. Set against the raw beauty of the outback and remote communities, the film unpacks stories of grief, survival, and the long road to healing. Through honest, vulnerable reflections, these 3 individuals each with their own path open up about the weight they've carried, the moments that nearly broke them, and the unexpected ways they found connection, purpose, and hope. More than a film about loss, When the Dust Settles is a story of what comes after the silence, the search for meaning, and the courageous steps towards keeping conversations alive. Followed by a short Q&A Canapés served in the Art Space from 7:30pm Tickets: \$30
