Men in Black (M) Sci-Fi, Action

The Men in Black have always protected the Earth from the scum of the universe. In this new adventure, they tackle their biggest, most global threat to date: a mole in the Men in Black organization.

Aladdin (PG) Adventure, Family

A street rat frees a genie from a lamp, granting all of his wishes and transforming himself into a charming prince in order to marry a beautiful princess. But soon, an evil sorcerer becomes hell-bent on securing the lamp for his own sinister purposes.

X-Men: Dark Phoenix (M) Action

In DARK PHOENIX, the X-MEN face their most formidable and powerful foe: one of their own, Jean Grey. During a rescue mission in space, Jean is nearly killed when she is hit by a mysterious cosmic force. Once she returns home, this force not only makes her infinitely more powerful, but far more unstable. Wrestling with this entity inside her, Jean unleashes her powers in ways she can neither comprehend nor contain. With Jean spiraling out of control, and hurting the ones she loves most, she begins to unravel the very fabric that holds the X-Men together. Now, with this family falling apart, they must find a way to unite --

Brightburn (MA15+) Horror, Sci-Fi

What if a child from another world crash-landed on Earth, but instead of becoming a hero to mankind, he proved to be something far more sinister?

Hellboy (R18+) Action

Hellboy is back, and he's on fire. From the pages of Mike Mignola's seminal work, this action packed story sees the legendary half-demon superhero (David Harbour, "Stranger Things") called to the English countryside to battle a trio of rampaging giants. There he discovers The Blood Queen, Nimue (Milla Jovovich, Resident Evil series), a resurrected ancient sorceress thirsting to avenge a past betrayal. Suddenly caught in a clash between the supernatural and the human, Hellboy is now hell-bent on stopping Nimue without triggering the end of the world.
