The New Mutants (M) Action

Rahne Sinclair (Maisie Williams), Illyana Rasputin (Anya Taylor-Joy), Sam Guthrie (Charlie Heaton) and Roberto da Costa (Henry Zaga) are four young mutants being held in an isolated hospital for psychiatric monitoring. Dr. Cecilia Reyes (Alice Braga), believing the teenagers are a danger both to themselves and to society as a whole, keeps a close eye on them as she struggles to teach them how to rein in their mutant abilities. When newcomer Danielle "Dani" Moonstar (Blu Hunt) joins the other patients in the facility, strange occurrences begin to take place. The hospital's patients are plagued by hallucinations and flashbacks, and their new mutant abilities--and their friendships--will be tested as they battle to try to make it out alive.

Slim and I (PG)

For over 50 years country music legend Slim Dusty and his wife Joy McKean trail-blazed their way across Australia performing, writing and collecting songs of the bush and its people. They created a musical legacy that to this day continues to entertain and inspire, a catalogue of plain speaking yet profoundly insightful music documenting the rural Australian experience. Theirs is perhaps one of the greatest partnerships in Australian music history. SLIM & I is a feature documentary that tells the incredible story of that partnership and of the woman who lived beside, rather than behind, the legend. Australia's own "Queen of Country Music", Joy McKean.

Trolls World Tour (G) Animated

A member of hard-rock royalty, Queen Barb, aided by her father King Thrash, wants to destroy all other kinds of music to let rock reign supreme. With the fate of the world at stake, Poppy and Branch, along with their friends, set out to visit all the other lands to unify the Trolls in harmony against Barb, who's looking to upstage them all.

The Secret Garden (PG) Family

THE SECRET GARDEN starring Colin Firth, Julie Walters and Dixie Egerickx is a new take on the beloved classic novel of the same name written by Frances Hodgson Burnett. Set in England during a new time period in 1947, the film follows a young orphan girl who, after being sent to live with her uncle, discovers a magical garden on the grounds of his estate.
