A Minecraft Movie (PG)	Welcome to the world of Minecraft, where creativity doesn't just help you craft, it's essential to one's survival! Four misfits--Garrett "The Garbage Man" Garrison (Jason Momoa), Henry (Sebastian Eugene Hansen), Natalie (Emma Myers) and Dawn (Danielle Brooks)--find themselves struggling with ordinary problems when they are suddenly pulled through a mysterious portal into the Overworld: a bizarre, cubic wonderland that thrives on imagination. To get back home, they'll have to master this world (and protect it from evil things like Piglins and Zombies, too) while embarking on a magical quest with an unexpected, expert crafter, Steve (Jack Black). Together, their adventure will challenge all five to be bold and to reconnect with the qualities that make each of them uniquely creative... the very skills they need to thrive back in the real world.
Bad Genius (M)	BAD GENIUS is a gripping thriller that follows Lynn, a brilliant scholarship student, who devises an ingenious cheating scheme to help her friends ace their exams. As their underground cheating operation expands, Lynn finds herself at the center of a high-stakes game that tests her morals and pits her against the American education system.
Novocaine (MA15+)	When the girl of his dreams (Amber Midthunder) is kidnapped, everyman Nate (Jack Quaid) turns his inability to feel pain into an unexpected strength in his fight to get her back.
Small Things Like These (M)	Small Things Like These takes place over Christmas in 1985, when devoted father and coal merchant Bill Furlong (Cillian Murphy) discovers startling secrets kept by the convent in his town, along with some shocking truths of his own. The film reveals truths about Ireland's Magdalene laundries -- horrific asylums run by Roman Catholic institutions from the 1820s until 1996, ostensibly to reform "fallen young women." Adapted from the Booker Prize nominated novel by Claire Keegan.
The Amateur (M)	Charlie Heller (Rami Malek) is a brilliant, but deeply introverted decoder for the CIA working out of a basement office at headquarters in Langley whose life is turned upside down when his wife is killed in a London terrorist attack. When his supervisors refuse to take action, he takes matters into his own hands, embarking on a dangerous trek across the globe to track down those responsible, his intelligence serving as the ultimate weapon for eluding his pursuers and achieving his revenge.

Dog Man (G)	When a faithful police dog and his human police officer owner are injured together on the job, a harebrained but life-saving surgery fuses the two of them together and Dog Man is born. Dog Man is sworn to protect and serve--and fetch, sit and roll over. As Dog Man embraces his new identity and strives to impress his Chief (Lil Rel Howery, Get Out, Free Guy), he must stop the pretty evil plots of feline supervillain Petey the Cat (Pete Davidson; Saturday Night Live, The King of Staten Island). Petey's latest plan is to clone himself, creating the kitten Lil Petey, to double his ability to do crime stuff. Things get complicated, though, when Lil Petey forges an unexpected bond with Dog Man. When Lil Petey falls into the clutches of a common enemy, Dog Man and Petey reluctantly join forces in an action-packed race against time to rescue the young kitten. In the process, they discover the power of family (and kittens!) to bring even the most hostile foes together.
