

Fantastic Four : First Steps (PG)	Set against the vibrant backdrop of a 1960s-inspired, retro-futuristic world, Marvel Studios' "The Fantastic Four: First Steps" introduces Marvel's First Family--Reed Richards/Mister Fantastic (Pedro Pascal), Sue Storm/Invisible Woman (Vanessa Kirby), Johnny Storm/Human Torch (Joseph Quinn) and Ben Grimm/The Thing (Ebon Moss-Bachrach) as they face their most daunting challenge yet. Forced to balance their roles as heroes with the strength of their family bond, they must defend Earth from a ravenous space god called Galactus (Ralph Ineson) and his enigmatic Herald, Silver Surfer (Julia Garner). And if Galactus' plan to devour the entire planet and everyone on it weren't bad enough, it suddenly gets very personal.
Megan 2.0 (M)	Two years after M3GAN, a marvel of artificial intelligence, went rogue and embarked on a murderous (and impeccably choreographed) rampage and was subsequently destroyed, M3GAN's creator Gemma (Allison Williams) has become a high-profile author and advocate for government oversight of A.I. Meanwhile, Gemma's niece Cady (Violet McGraw), now 14, has become a teenager, rebelling against Gemma's overprotective rules. Unbeknownst to them, the underlying tech for M3GAN has been stolen and misused by a powerful defense contractor to create a military-grade weapon known as Amelia (Ivanna Sakhno; Ahsoka, Pacific Rim: Uprising), the ultimate killer infiltration spy. But as Amelia's self-awareness increases, she becomes decidedly less interested in taking orders from humans. Or in keeping them around. With the future of human existence on the line, Gemma realizes that the only option is to resurrect M3GAN (Amie Donald, voiced by Jenna Davis) and give her a few upgrades, making her faster, stronger, and more lethal. As their paths collide, the original A.I. bitch is about to meet her match.
F1 The Movie (M)	Dubbed "the greatest that never was," Sonny Hayes (Brad Pitt) was FORMULA 1's most promising phenom of the 1990s until an accident on the track nearly ended his career. Thirty years later, he's a nomadic racer-for-hire when he's approached by his former teammate Ruben Cervantes (Javier Bardem), owner of a struggling FORMULA 1 team that is on the verge of collapse. Ruben convinces Sonny to come back to FORMULA 1 for one last shot at saving the team and being the best in the world. He'll drive alongside Joshua Pearce (Damson Idris), the team's hotshot rookie intent on setting his own pace. But as the engines roar, Sonny's past catches up with him and he finds that in FORMULA 1, your teammate is your fiercest competition--and the road to redemption is not something you can travel alone.
Jurassic World Rebirth (M)	Five years after the events of Jurassic World Dominion, the planet's ecology has proven largely inhospitable to dinosaurs. Those remaining exist in isolated equatorial environments with climates resembling the one in which they once thrived. The three most colossal creatures within that tropical biosphere hold the key to a drug that will bring miraculous life-saving benefits to humankind.
Smurfs (G)	When Papa Smurf (John Goodman) is mysteriously taken by evil wizards, Razamel and Gargamel, Smurfette (Rihanna) leads the Smurfs on a mission into the real world to save him. With the help of new friends, the Smurfs must discover what defines their destiny to save the universe.

The "Baby Session" at the cinema is a special screening designed for parents with babies, offering a more relaxed environment with dimmed lights, lower sound levels, and a welcoming atmosphere for families.
