|-------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Paw Patrol: Dino Movie (G)</b>                     | The PAW Patrol pups crash land on an uncharted tropical island filled with dinosaurs after their ship gets caught in a mysterious storm. They meet Rex, a pup who has been stranded on the island for years and has become an expert in all things dino-related. When the Patrol’s archrival, Mayor Humdinger, begins recklessly mining in hopes of exploiting the island for its natural resources, he inadvertently causes a huge, dormant volcano to erupt. The pups are thrown into a series of high-stakes, dino-sized rescues bigger than anything they’ve done before, as they must stop Humdinger before everything on the island goes extinct. |
| <b>Coyote vs ACME (PG)</b>                            | After Acme products fail him one too many times in his dogged pursuit of the Roadrunner, Wile E. Coyote decides to hire a billboard lawyer to sue the Acme Corporation.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |
| <b>Fall 2: Deadpoint (M)</b>                          | On a perilous climb across Thailand's Mount Kwan, two climbers become trapped thousands of feet above the ground, where vertigo-inducing heights, sheer exposure, and impossible odds turn every moment into a fight for survival.                                                                                                                                                                                                                                                                                                                                                                                                                      |
| <b>Forgotten Island (PG)</b>                          | Jo and Raissa find themselves stranded in the mystical world of the forgotten island of Nakali. They discover that their only way home might come at the expense of a lifetime of shared memories.                                                                                                                                                                                                                                                                                                                                                                                                                                                      |
| <b>Shaun the Sheep: The Beast of Mossy Bottom (G)</b> | The residents of Mossy Bottom Farm looking forward to Halloween – until?the clumsy Farmer trashes the flock’s beloved pumpkin patch! When Shaun turns mad scientist to fix the problem, things rapidly spiral out of control. With the Farmer missing and a wild beast roaming the woods of Mossingham, all the ingredients are in place for a monstrously fun family adventure.                                                                                                                                                                                                                                                                        |
